# SKILLS AND INTERESTS

Photoshop, InDesign, Illustrator, Fireworks, Flash- timeline animation, Dreamweaver, Limited CSS, HTML, Final Cut Pro.

Freakishly Rainman-esque knowledge of GM automobiles 1953-present, as well as vintage British motorcycles.

I surf, poorly. I'm a coffee snob.

## GARNIER SINGAPORE

---

Ever wish you could pass off your pimples?

This Facebook app allows you to prank your friend's profile pictures with pimply monsters. In order to clear their face, they'll have to pass them onto someone else.

Patrick Carroll was tagged in Darrin Lin's photo.

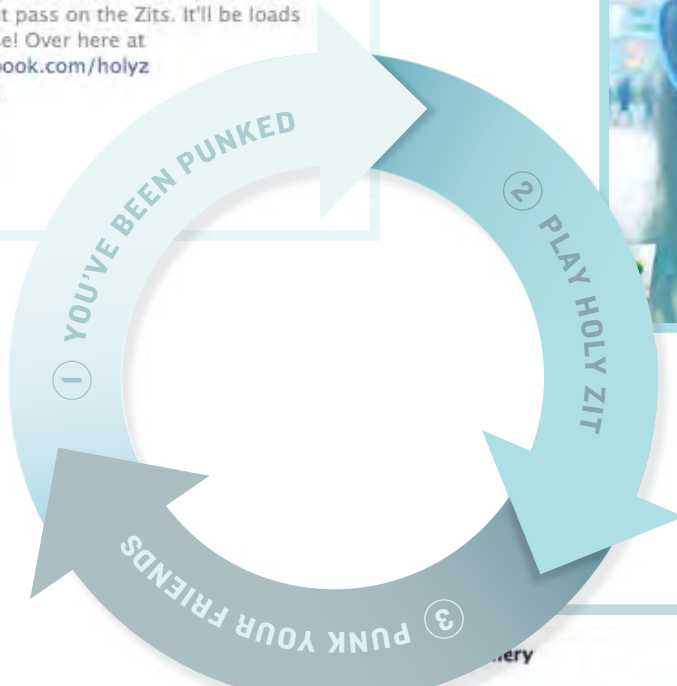

### Holy Zit! Photos

Look who's been pranked with whacky Zits! To clear the face, just pass on the Zits. It'll be loads of fun, we promise! Over here at [http://apps.facebook.com/holyzit/?photo\\_id=431](http://apps.facebook.com/holyzit/?photo_id=431)

Your profile pic is HACKED!  
A message appears that tells you to clear your face, you'll have to play Holy Zit.

Play Holy Zit and decorate your friend's profile pic with zit characters.

Once you've punked a friend your pimples are cleared in the Holy Zit gallery.

## MEET THE ZITS

Crazy characters that mimick everyone's favorite facial maladies, these monsters interact with users throughout the app and adorn the faces of their unwitting friends.

# BURGER KING SINGAPORE

---

Big American burgers in a foreign land.

## NACHO SURROUND SOUND

Mexican food is not popular in Singapore. When burger King decided to launch the Crunchy Nacho Burger, we decided to promote it audibly in the one place Singaporeans are already familiar with nachos- the movies.

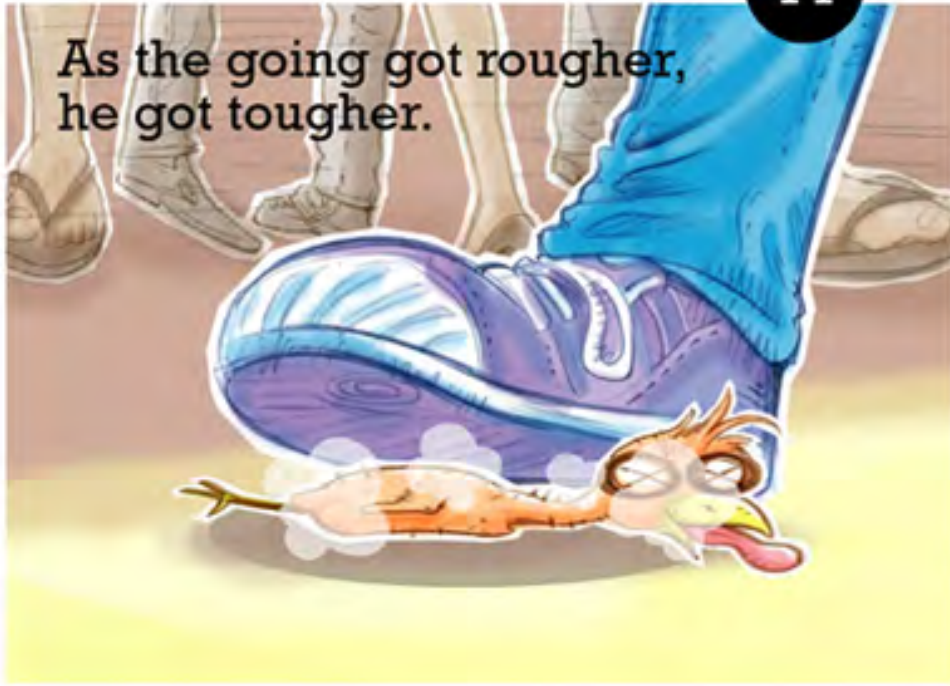

Instead of the familiar THX intro at movie theaters, we replaced the Dolby Surround Sound intro with a Burger King nacho intro with surround sound crunching noises.

## BK CHICKEN DOJO

In order to promote their Chicken Sandwiches, Burger King Singapore created the BK Way of Chicken site. This virtual dojo features stories and games in order to educate Singaporeans about The BK Way of Chicken.

As the going got rougher,  
he got tougher.

Fate then led him to a  
mysterious statue

WITH THE KING,  
YOU CAN.
